

## TAKE CARE OF YOUR SKIN THIS WINTER

### *New cosmeceutical products at DestinationSkin*

Prepare your skin for cold winter months and bring back the glow to your face with the latest cosmeceutical products available at DestinationSkin in Westfield, London and at DestinationSkin.com from 1<sup>st</sup> November.

### iS CLINICAL\*

**iS CLINICAL** is a cosmeceutical range comprised of exceptional, long-term results-oriented anti-ageing skincare formulations developed by doctors and scientists using the most advanced research technology. Loved in America, it boasts an impressive list of celebrity fans (Charlize Theron, Halle Berry, Rachel Bilson) and is sold exclusively through specialised clinics and plastic surgeons.

Range highlights

#### ***YOUTH COMPLEX £128***

Youth Complex is the first cosmeceutical anti-wrinkle formulation to offer immediate and long-term improvements for ageing skin. Formulated with iNOVASE™ biocomplex, a unique blend of growth factors, potent antioxidants and natural hydrators, it provides rapid plumping of fine lines and wrinkles and is clinically proven to stimulate the production of collagen and elastin.

\*Available only at DestinationSkin Westfield

### PHARMACERIS *Exclusive to DestinationSkin*

A leading European dermatological brand, Pharmaceris use only the best pharmaceutical grade ingredients to provide a complete range of skincare solutions for problem skin. The range includes products for acne, rosacea, sensitive and allergy-prone skin, pregnant women and more.

Range highlights

#### ***NUTRI-CAPILARIL Intensive Nourishing Cream £22***

From Pharmaceris N range for treatment of dilated capillaries and thread veins, this highly nourishing cream is recommended as a protective cream for winter. With peanut oil, Rutin, Vitamin C, Allantoin and Arnica, it effectively reduces skin redness, prevents irritation and helps to revitalise tired skin.

## YOUNGBLOOD MINERAL MAKE-UP

Youngblood Mineral Cosmetics are natural pigments, rather than petroleum dyes, that are high-performance, water-resistant and non-comedogenic. The natural skin tone shades provide sun-protective properties with less shimmer, offering a healthy glow and a flawless finish.

Range highlights

### **LIQUID MINERAL FOUNDATION £42**

This lightweight deep-sea hydrating complex is rich in ocean minerals and nutrients for superior hydration. It pampers your skin with Calendula extract, Allantoin extract, Cucumber extract, Green Tea extract and Cactus Grandiflorus extract for a luxurious, hydrated, healthy glow. Available in 8 luminous shades.

## SKINN FOR MEN

**SKINN is engineered specifically for men and contains multiple active pharmaceutical grade ingredients with proven results. SKINN is multifunctional and solution orientated with simple, non complicated and effective formulas that are suitable for all skin types.**

Range highlights

### **FATIGUE RESCUE £32**

Containing Myoxinol™ LS 9736, a peptide clinically proven to help reduce wrinkle formation, this advanced hydrating system intensively moisturises and improves the signs of ageing and fatigue.

## **ENDS**

*DestinationSkin offers a wide range of the latest proven non-surgical treatments for younger looking skin and smoother clearer complexions, provided by expert consultants in modern, comfortable high street locations.
